
Vacation

Posted by beppino - 2008/09/13 02:25

I'm finally going in vacation :)

After passing all august in town I'll have some vacation in Sardinia: I hope that my 1 month old daughter Rita will let us spend a real vacation! And the weather too.... it's raining no.w
I'll try to connect, but don't expect updates in the next two weeks!

Thank you and enoy :-)

PS: tell your friends about hero game :-P

Cool! You better have fun so that you can come back with a positive mind :woohoo:
And of course we'll tell our friends ;)
