## Dying

Posted by Niki - 2008/10/09 11:37

---

Can you die for having a low health and fighting someone really strong?  
Or, fighting someone of your level with your attitude at fight for your life?

Niki

A hero never die!!

(i suppose)

---while it could be funny to have a superhero child and grow up him when you're died.... well... too much popomudiaco?--

---

You never die. But with health=0 there's nothing you can do but resting... almost all the other activities give result zero...
